

Dr. Serdar (Sam) Ryan

1 Fisher Avenue, Boscawen, NH 03303

Healthy Lifestyle Consultation

Dr. Sam requires that all new patients attend our Healthy Lifestyle Consultation once within the first month of care. Our class is an informational extension of your Report of Findings.

The class is held every Wednesday evening at 7:00pm. Please plan to spend about 1 hour with us that evening. We recommend that you bring your partner in health or a friend who might assist you and may also understand the benefits of a wellness lifestyle.

I understand that attending the Healthy Lifestyle Consultation is a very important part of my care at Infinite Health Family Chiropractic and will plan to be there!
